

Full Time Motion Graphics Designer

Salary Dependant on Experience

Fifth Wall VFX are looking for an enthusiastic and talented **Motion Graphic Designer** to join our established studio in **St Albans**.

As part of our small team you will have the opportunity to contribute fully, and lead projects, while also working with our Directors on a range of projects.

What You Love Doing:

Design, Typography, MGFx, Compositing CG and Live Action
Creating Broadcast Titles, Promos and TVCs
Creating and Developing In-House films

What You're Good At:

After Effects, Photoshop and Illustrator
Compositing
Working to a brief, under a tight deadline.
Working alone or as part of a team.
Accurate and clean workflow.

What We're Looking For:

Whatever your level of experience, we're looking for someone who knows how to frame for title safe, who cares about using the right font, and who can add their own voice to a film without re-writing the brief.

We're looking for a long term creative partner who will enjoy a successful relationship with our supportive clients across many sectors.

We're looking for an Artist who can create a storyboard, edit an animatic, tweak a VO, layout text, source references for client, present work, and export an accurate final version, in all the right formats, with a smile on your face.

What Else ?

Any knowledge or experience of CG Animation, Nuke, Premiere would be a great advantage.

Please Send Showreels and CVs to contact@fifthwallvfx.com

Please Note:

You must be eligible to work in the UK, and be on-site full time. We are unable to sponsor any visa applications or consider remote working for this role.
